I. ABOUT TNF

Tamil Nadu Foundation Inc. Tamil Nadu Chapter was established in the year 1983 and as “Not for profit Trust”. The Trust was established by Tamil NRIs settled in USA. The trust mission is to channelize funds received from NRI Tamils in USA and other donors to help the needy people of Tamil Nadu.

OBJECTIVES OF TNF

- Enhancing the standard of quality Education.
- Improving Hygenic Environment and Health.
- Creating basic infrastructure through rural development activities.
- Empowerment of women to achieve socio-economic status

II. EDUCATION ENHANCEMENT PROGRAMME

Tamil Nadu Foundation (TNF) has developed the ABC Model to enhance education.

TNF -ABC Project, a new approach to teach new methodologies to students who are academically backward. ABC Model started to enhance the academic performance of students, and improve retention rates. This enabled the student's participation with a focused mind during the learning process through lively classroom interactions and served as effective educational learning tools.

TNF complemented the efforts of the Department of School Education, Tamil Nadu and has signed a Memorandum of Understanding with the Department to work in a select Government and Government Aided Schools in Tamil Nadu.

The ABC Project started initially in one district (Sivagangai) with nine Government Schools in 2011 remains now expanded year on year to other districts. Currently, TNF is implementing the ABC Project in 108 Schools in 32 districts of Tamil Nadu.

1. Academic Bridge Course (ABC)

A

Achieve Grade Level Proficiency

B

Boost the Morale

C

Champion the cause for Higher Aspirations

A - Achieve Grade Level Proficiency

Focuses on providing individual attention to the focused learners who seek support in academics to lift them to the grade level proficiency of needy students in class 6 to 9.

During the year 2024-25, 5,693 students from class 6 to 9 in 102 Government Schools in 28 districts were given support in reading and writing skills in English and Tamil and basics in Mathematics. The highest percentage of improved students since 2011 is during the current year which is 46%

B - Boost the Morale

TNF- ABC Model boosts the morale of students in adopted schools adopted by developing the following skills through soft skills through training sessions:

- Self Confidence
- Communication Skills
- Time Management
- Motivation
- Memory Power
- Goal Setting
- Self – Discipline
- Human Relations
- Hard Work and Smart Work.

TNF – ABC project enables 10th and 12th grade students to prepare better for public exams, and pursue their dream of higher education.

TNF extended its support to 7,623 students for 94 schools across 28 districts.

C - Champion the cause for Higher Aspirations

TNF continues explore innovative methods to motivate students of class 10 and above to pursue their studies, and their higher aspirations. This year, 3,738 students from 61 schools across 20 districts were taken on an educational to nearby Higher Education Institutions. Main purpose of the visit was to make students to explore various courses that are available in the Higher Education Institutions and to expose them to select and study course of their choice.

Students were briefed on various courses offered by different Institutions, and prescribed eligibility criteria required for such courses. Available job opportunities were discussed to help students understand the availability of scholarships and job placements.

Our faculty at the campus motivated our students to secure high marks. They also advised students of ways to score high marks in the public examinations

Success story of Renuka Devi

TNF initiated ABC Project in Sivagangai District to uplift the rural students and enrolled them to Achieve Grade Level Proficiency (A) , Boosting their morale (B) and Championing for their academic aspirations (C).

seed sown through ABC Project are reaping results now. and year after year we are witnessing the students of ABC project as toppers in academics and various other competitive exam like NEET, CLAT exams, NMMS etc

Selvi. B. Renukadevi made the TNF feel proud. Renukadevi was found lacking in her studies academics and was enrolled in ABC Project classes in the year 2017-18 in Government High School, Kunnathur, Ranipet District. The sustained efforts of ABC Project teachers in school, she slowly improved in her studies and moved later to regular class. She further studied well obtained good marks in 10th std public examination and joined plus 1 in Government Model Higher Secondary School in Ranipet. She secured 521 marks in the public examination and 509 marks in NEET. She now secured admission in M.B.B.S in Indira Medical College, Tiruvallur under 7.5% Tamil Nadu Government State quota

B. Renukadevi is thankful to for the support given to her through ABC Project (academic support and the soft skills training) that helped her to set goal in life and made her dreams come true. And a reality.
